

The #1 Dental Network in Florida!*

Our Copay and Choice PPO dental networks lead the industry as the #1 and #2 in effective discounts in Florida*, providing your clients the dental networks that save them the most money.

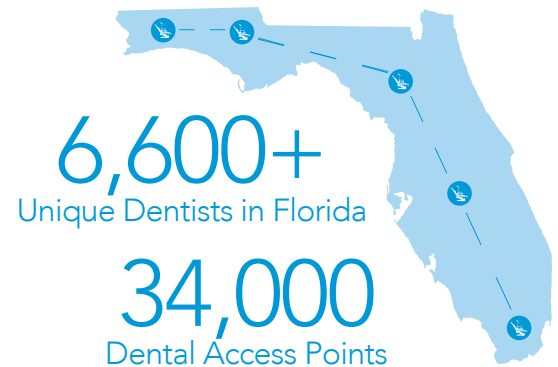

The **MOST** important measure of a network

Discounts only matter if members use the dentists in a network! Quality dentists lead to higher utilization. Effective discounts incorporate this utilization to show how much your clients will actually save.

The Power Behind Florida Blue's **SMARTER** Network

Florida Blue ensures that we have the right number of the right dentists – at the right discounts. This means that consumers and employers will pay less by using our high quality, in-network dentists compared to the lower network utilization rates of other carriers.
