

truli better

Quality care for members. Predictable costs for business.

We believe health benefits should benefit everyone. That's why Truli offers easy-to-understand plans, affordable costs for businesses and convenient access to top providers for you and your employees.

Simpler solutions. Lower premiums. A healthier, more productive workplace.

Better care. Better results.

Great benefits attract great employees. Truli provides your team with access to quality, integrated care right in your community. We partner with some of the region's top doctors and hospitals to help them get and stay healthy.

Convenient pharmacy options.

We want to make it easy for everyone to stick to their medication plan. That's why Truli provides members with access to all major retail pharmacy chains in our network, and extra savings if they visit a Truli-preferred pharmacy.

Affordable costs for your business.

Our focus is quality care at a sustainable cost. We provide predictable pricing and easy-to-understand plans so your employees can manage their costs and get the care they deserve.

- \$0 annual wellness checkups
- \$10 virtual visits
- \$20/\$25 primary care physician visits
- \$65/\$75 urgent care visits
- \$0 preventive prescriptions
- \$5 copays for physician office services, supplies and drugs for certain ongoing health conditions like high blood pressure, high cholesterol, asthma/COPD and diabetes.

Simple for business.

Our digital tools make it easy to manage your employees' plans, leaving you more time to run your business.

The **Truli for Health app** and **EmployerPoint portal** lets you:

- Track enrollment
- View and pay invoices
- Add or change employee information
- Download member forms

Simple for employees.

Employees have access to the **Truli for Health app** to help them manage their health. Truli members can use their **ID card**, **review their benefits**, **access virtual doctor visits** and **earn rewards** that can be used towards doctor visits, prescriptions and other health expenses.

Easy-to-understand, predictable costs

Better planning for the future

Quality network of local providers

Better care for employees

Simplified health care process

Higher productivity and less paperwork

These are just some of the reasons your business can benefit from Truli. For more information talk to your local agent or visit truliforhealth.com
