MEDICARE

**Welcome to
the new age
of health care**

All things being equal, how do you choose a Medicare health plan? We've been here in Florida for over 65 years, and we're here for you now...with BlueMedicare Supplement policies that make sense.

Why BlueMedicare Supplement and SelectSM Insurance Policies are a Great Choice

While Medicare pays for many health care services, it doesn't pay all health care costs in full. Our BlueMedicare Supplement insurance policies* help cover most of these costs for you. Whether you're looking for a basic policy or one with more extensive coverage, we have plenty of options for you. And, there are no doctor or hospital** networks so you may choose any doctor, specialist or hospital that accepts Medicare.

The benefits provided and the premium amount you are required to pay depend on the plan you choose, your age, tobacco use and county of primary residence. For premium information for your area, please refer to the Outline of Coverage, available online at Floridablue.com/Medicare or see page 11 for contact information and hours of operation.

When you enroll in any of our BlueMedicare Supplement or BlueMedicare Supplement Select insurance policies, you'll automatically receive the following at NO extra cost:

Age lock-in rating advantage

Most Medicare Supplement insurance premiums are based on your age. However, when you enroll in one of our plans, we will always base your rate on the age that you were when you initially enrolled, as long as you maintain continuous coverage in any of our Medicare Supplement policies. For example, if you enroll at age 65, you'll always pay the rates charged for individuals age 65, regardless of your current age. However, medical cost increases and inflation could increase our premiums.

Automatic claims filing

Simply present your red, white and blue Medicare card AND your BlueMedicare Supplement ID card when you go to the hospital or doctor and we'll handle the rest.

Discounted products and services

When you enroll in one of our BlueMedicare Supplement insurance policies, you'll automatically have access to our member discount programs. See page 10 for more information.

30-day money-back guarantee

If for any reason you're not completely satisfied, simply return your contract to us within 30 days of the policy delivery to receive a full refund of any premiums paid—with no questions asked.

* Not connected with or endorsed by the U.S. Government or the Federal Medicare Program. These policies have limitations and exclusions which work in conjunction with Medicare.

**BlueMedicare Supplement Select policies do require you to use in-network hospitals. See page 5 for additional details.
